

Bike Walk CT Office Address:

56 Arbor Street, Suite 310A
Hartford, CT 06106

Biking Directions:

Capitol Avenue is a popular East-West bike route for commuters coming from Hartford or West Hartford. Along several sections the road has bike lanes. Just turn off Capitol onto Arbor Street.

Note: The Capitol Ave. pavement underneath the I-84 viaduct is particularly pock marked with pot holes and cracks, conveniently obscured by the viaduct shadows. Ride carefully through this section, or bring a headlight.

Driving Directions:

Directions From I-91 North or South

From either 91 North or South take I-84 West in Hartford and follow directions below.

Directions From I-84 East or West

From either 84-West or 84-East take Exit 46 - Sisson Avenue. At the end of the long exit ramp, turn left at the light, onto Sisson Avenue. Very quickly you come to another light (Capitol Avenue); turn left. Your third right is Arbor Street (if you pass the UHaul you've gone too far.) Turn right onto Arbor Street; you will immediately see the large RAW sign on the left. Turn into the driveway at the sign.

Once you get here:

Park and lock your rig. If your bike is fancy (or you're simply over protective), you can bring it upstairs to the Bike Walk office.

Inside the horseshoe enter through the door that's offset to the left of the top of the horseshoe. Turn right, find the huge elevator, take it up to the third floor. Exit the elevator. Turn right. The Bike Walk office is down the hallway on the left. Suite 310A.

TIP: We're in the same building as Real Art Ways. Turn into the parking lot at the RAW sign. →
